

“GARDEN BUDDY” SCHEME

As part of the Society's Centenary Year celebrations we have initiated a “Garden Buddy” Scheme. The Buddy (an experienced gardening member) visits those who want to discuss the problems or plans for their garden and develop a plan of action. This might include preparation of beds, choosing suitable plants, general maintenance etc.

Our aim is to celebrate our Society's Centenary as a community of gardeners, able to learn from one another, grow in expertise and enjoy our gardens.

To find a Buddy (or become a Buddy), please contact:

Sonia Mathias, Membership Secretary on 020 8455 7334 or buddies@hortsoc.co.uk
